

13th Annual Trauma Symposium

Trauma Care: Tried and True and What's New

May 14 — 15, 2014

IP Casino Resort & Spa Biloxi, MS

Symposium Description

Assessment and timely Interventions are key to achieve optimal outcomes for the Injured patient. The purpose of this symposium is to provide physicians, nurses, and emergency medical personnel with current evidence-based concepts and techniques of resuscitation, diagnosis, and therapeutic interventions.

Target Audience

Topics for this program were derived from evidence based literature reviews and clinical experiences. The intention is to improve trauma patient outcomes.

The target audience includes practicing physicians, nurses, and emergency medical personnel.

All General Sessions will be held in Studio B and EMS Breakouts in Studio A

Celebrity Appearance Subject to Change

Keynote Speaker “Remembering Why”

RANDOLPH MANTOOTH

“Johnny Gage” from TV’s Emergency!

Photos courtesy www.RandolphMantooth.com

Meet Randy in person when he hosts a fundraising autograph session in the vendor hall during breaks/lunch and at the evening reception. Emergency! Photos and other memorabilia will be available for purchase and personalization.

Proceeds benefit the LA County Fire Museum.

Credit

The University of South Alabama College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of South Alabama designates this live activity for a maximum of 11.00 AMA PRA Category 1 Credits™. Physicians and other healthcare providers should claim only the credit commensurate with the extent of their participation in the activity.

Disclaimer

The information provided during this CME activity is for continuing educational purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and therapeutic options of a specific patient's medical/surgical condition.

Disclosures

Disclosure of speaker commercial relationships will be made known at the activity. Speakers are also expected to openly disclose any discussion of off-label and/or investigational uses of drugs in their presentations.

Commercial Support

A complete list of vendors will be published in the course syllabus.

Cancellations made less than 10 days prior to the symposium will be charged a \$25.00 processing fee. Cancellations must be made in writing. No processing fee for substitutions. No refunds will be given after the start of the symposium and "no shows" will be responsible for full payment. Symposium cancellations due to "natural disasters" will be rescheduled. Refunds will not be issued. In the rare event that the symposium has to be cancelled for any other reason, the MS Coastal Trauma Care Region's liability is limited to tuition.
